Translation

Original Language

Ma Badoor

ما بدور

I don't like, I don't like
I don't like, I don't like
The radicalism of the tribe,
It creates hatred and oppression within us.

Gaaly and Donkolawy and Shayky,
What good is it for me?
Apart from division and dispersion,
my brother opposed me.

My brother opposed me.
My brother opposed me.

It's enough that the Nile is our father.
It's enough that the Nile is our father.

The Nile is our father.
The Nile is our father,
And it's nationality is Sudanese.

Where can I find you?
Where can I find you my love?

I am coming home,
I am coming home to visit,
Aaaaeeeh, be still.

For you know my love for you,
I am coming home to visit,
Aaaaeeeh, be still.

ما بدور انا ما بدور،
ما بدور انا ما بدور،
عصبية القبيلة،
تربي فينا ضغائن وبيبة.

جعلني و دنقلاوي و شايقي
ايه فايداني؟
غير فرقه و شتات
خلت اخوي عاداني.

اخوي عاداني اخوي عاداني،
اخوي عاداني اخوي عاداني،

يكفي النيل ابونا،
يكفي النيل ابونا،

النيل ابونا النيل ابونا،
النيل ابونا النيل ابونا،
و الجنس سوداني.

وين القاك؟
حببي وين القاك؟

Abiro dala
Abiro dala kucho neni
Aaaaeeeh, bed mos aheri

Abiro pacho
Abiro dala kucho neni
Aaaaeeeh, bed mos aheri
