 Source of the Nile, Egypt,
 Come and see, come and drink from the
 water of the Nile.

Eh! Yego yego, yego yego, ngwinongwingo.

Eh! Yes, yes, yes, yes, come come.

Erega ngwino nkujane mu bihugu
 twavukiyemwo,
 Burya s'ibikoko gusa, burya
 s'ubugaragwa gusa.
 Reka Da! Eka Da! Uh, yewe, yewe, yewe,
 Ngwino nkujane mu karere ka Nil,
 ahava amata n'ubuki.

Come and let me introduce you to
 the countries we come from,
 In fact, it's not only Safari adventures,
 neither the desert only,
 Not at all! Not all! Uh, listen, listen, listen,
 Let me take you to the Nile Basin,
 unique area flowing with milk and honey.

Ngwino uvyagire utiruka we,
 Urabe umuco n'umudiho, akayaga
 n'ubuzima bwiza,
 Bigobagoba mu karere kose ka Nile.
 N'ukuri kose ndakurahiye,
 Erega uzohasanga ubuzima na
 vyabindi vyose utiteze.

Come and establish yourself here,
 And see the cultural diversity, the music,
 the environment and our daily life,
 Hidden in the Nile basin.
 I am telling you,
 You'll discover the best life and many
 more things you never thought of before.

Yego yego, yego yego, ngwino ngwingo!

Yes yes, yes yes, come come!
