Usalama

Peace

Kaanza vita ye ndie mujinga.
 Hafikiriyaki maisha ya wengine.
 Anasahawu kama kuna watu wengi wata uwawa.
 Anasahawu kama kuna wengine watakimbizwa.
 Kwajili mapendo na tama yake mwenyewe
 Kwajili profit zake na watu wake
 Watu kama hawa hawastahili kubaki wanatuukumu.

The one who starts a war is a fool.
 He doesn't care about others' lives.
 He forgets that a lot of people will be killed.
 He forgets that others will flee
 Due to his envy and selfishness,
 Due to his profit and his team.
 Such people don't deserve to keep leading us.

Usalama yoyoyo tunatakatu, usalama.
 Usalama yeyeye tunatakatu, usalama.
 Tunacoka nakukimbiya tunatakatu, usalama.
 Tunacoka nakuteseka tunatakatu, usalama.

Peace yoyoyo, we just want peace.
 Peace yeyeye, we just want peace.
 We are tired of fleeing, we just want peace.
 We are tired of suffering, we want peace.

ما بـجـيـب اللـوـم
 مـن وـيـن يـجـيـنـي النـوـم
 ما بـجـيـب اللـوـم مـن وـيـن يـجـيـنـي النـوـم
 الصـنـدـل المـضـمـوم
 سـيـمـوتـة وـالـمـنـضـوم
 بـتـمـنـى مـن الـيـوم
 سـعـادـه لـيـك تـدوم
 إـن شـاء اللـه يـا مـحـرـوم

I don't blame
 How can I get some sleep?
 I don't blame, how can I get some sleep?
 Gathered scented Agarwood,
 Precious golden stones for newlyweds,
 From today, I wish you
 A lasting happiness,
 Oh, deprived one, God willing

For the longevity and sustainability of
 our love,
 there should be a trust between us.

ያኣከል ያኣኸልና የኣከል ጸበባ
 የኣከል ኣኣኸልና የኣከል መከራ
 ግልምና ከትቅሰን ሓቢርና ከንበር

Enough, enough for us,
 enough, our troubles.
 Enough, enough for us,
 enough, our suffering.

To bless our world with peace and live
 together.
 Distance the wars and use our minds,
 so peace prevails and people live safely.
 'No' means no for doom.
