Uruzi Nil

Nile River

Ndazi uruzi,
 Ndazi uruzi Nil iyo ruva naho
 rukagera ma.

I know the river,
 I know the Nile river from where it starts
 up to where it ends.

Ndazi uruzi Nil iyo ruva, kandi niyo
 ruja.

I know the Nile river from where it starts
 up to where it ends.

Hari abagwita kimaranzara,
 hari nabandi yoyo bacurintimba
 ko gwabatwariye abakunzi,
 ko gwabatwariye mbese
 nutwabo.

There are some who call it the one who
 heals hunger, others complain because it
 has taken away their beloved persons,
 even their personal belongings.

Nagira nanje, ndabatature,
 ndababwire uko ndarwumva
 Nagize ngo nti "Ndaruzi pe,
 ntakintu wobura urikumwe
 narwo, baza abanyemisiri".

So here I am to help you finding out
 solutions,
 telling you my understanding about the
 Nile,

I would say "I really know this river, you
 should not miss anything when you live
 along it, just talk to Egyptians".

Ndazi uruzi,
 Ndazi uruzi Nil iyo ruva naho
 rukagera ma.

I know the river,
 I know the Nile river from where it starts
 up to where it ends.

Nagomba mbaburire, ayo
 mazi ya Nil IMANA yabahaye,
 ntimuyashwanire,
 ariko abafashe, mwese hamwe,
 muyakingire.

Let me warn you, the Nile water
 that God has given you,
 don't fight each other for it,
 instead it has to help you all together
 and you have to take care of it.

Ndazi uruzi,
 Ndazi uruzi Nil iyo ruva naho
 rukagera ma.

I know the river,
 I know the Nile river from where it starts
 up to where it ends.
